

# Going back to school after Covid-19

Soon I will be going back to my school. It will be different than before.

I have been learning at home with my family. Most of the kids in my class have been at home like me.

We will all go back to school on \_\_\_\_\_.

I will go for \_\_ days per week.

We will all go back to school on \_\_\_\_\_.

I will go for \_\_ days per week.

Some things will be different. I will need to say goodbye to my parents at \_\_\_\_\_.

I will need to try very hard not to touch my face.  
I will only touch my things.

If I need to sneeze I need to do it into my elbow.

I will need to wash my hands

All of the people at my school will be washing their hands a lot more. I will too.

The people in my class haven't seen each other for a while. They might be noisy when they see each other again. If this happens I will

I will sit \_\_\_\_\_.

The people in my class will be the same.

The play times at my school will be the same/different.

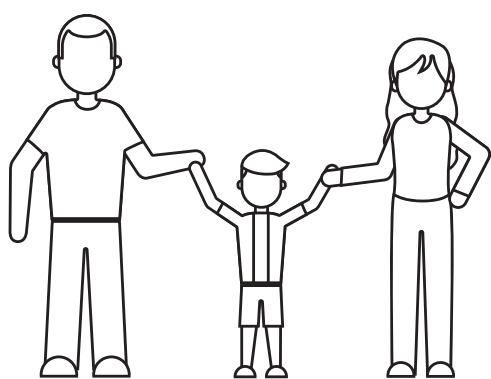

I will go outside at \_\_\_\_\_ and inside at \_\_\_\_\_.

I will eat my lunch at \_\_\_\_\_ then I will go inside at \_\_\_\_\_.

Because it is now safe I will be going back to school on \_\_\_\_\_.

I will get to see my teacher and do my learning with the people in my class.

I might miss being at home and that is OK. Everyone is now back learning at school. My parents will be \_\_\_\_\_ while I am at school. I will see them at hometime.

My school is the best place for me to do my learning. I will now go to school like normal. Then on the weekend I will be at home with my family.
